All purchases made by the Municipality of Marmora and Lake are done in accordance with our Procurement Policy (By-law 2012-037)

Part “A” Information to Bidders

1. Intended Use and Schedule of Work

The Municipality of Marmora and Lake (the “Municipality”) appreciates your interest in this Request for Tender (“RFT”).

This RFT covers the required electrical system upgrade at Booster Park, to bring the electrical system for the 16 Transient camp sites up to current electrical code and provide one 120V 30AMP receptacle for each site. This requires new 200 Amp services, electrical panels, hydro poles, overhead,

cable, trenching, underground cable, posts and receptacles.

In this RFT, the successful Proponent shall be referred to as the "Contractor".

2. Location

199 Booster Park Road, Marmora Ontario

3. Applicable Document Fees

None.

4. Bid Deposit Requirements

In addition to any other performance security requirements, a separate bid deposit document is required in one of, or a combination of, the following:

Certified cheque, bank draft, money order, bid bond, or irrevocable letter of credit or any combination, made payable to the Treasurer of the Municipality of Marmora and Lake the amount of **ten percent (10%) of the total tendered price**, not including the H.S.T., **must be submitted with the Bid.**

The Bidder agrees that, if they should withdraw their bid or fail for any reason to execute the agreement or provide the required bonds or other documents required the Municipality may retain the Bid deposit for the use of the Municipality and may accept any other Bid, advertise for new quotations/tenders/proposals, or not accept any Bid as the Municipality deems advisable.

5. Performance Surety Requirements

The successful bidder shall provide to the Municipality, a Performance Security in one of the following forms, or a combination of item i.) and ii.), prior to the commencement of the work.

- i.) Certified cheque, bank draft, or money order, made payable to the Treasurer of the Municipality of Marmora and Lake in the amount of one hundred (100%) percent of the total price bid. If the successful Bidder intends to provide a certified cheque, bank draft, or money order as a Performance Security, a signed letter from the Bidder's lending institution clearly stating that a certified cheque, bank draft, or money order for one hundred (100%) of total bid price may be obtained by the Bidder **must be submitted with the Bid.**
- ii.) Irrevocable Letter of Credit in the amount of one hundred (100%) percent of the total bid price. If the successful Bidder intends to provide an Irrevocable Letter of Credit as a Performance Security, a signed letter from the Bidder's lending institution clearly stating that an Irrevocable Letter of Credit for one hundred (100%) of total bid price may be obtained by the Bidder **must be submitted with the Bid.**
- iii.) Performance Bond and a Labour and Material Payment Bond **each** in the amount of one hundred percent (100%) of the Total Bid Price. If the

successful Bidder intends to provide a Performance Bond and a Labour and Material Payment Bond **each** in the amount of one hundred percent (100%) of the Total Bid Price as a Performance Security, a completed "Agreement To Bond", as a surety that the Bidder can obtain the required Contract Performance Bond and Labour and Material Bond if they are the successful Bidder **must be submitted with the Bid**.

An "Agreement to Bond" must be submitted with the Bid as a surety that the Bidder can obtain the required Contract Performance Bond, Labour and Material Bond if they are the successful Bidder.

The Bonds shall be provided by a surety company authorized to do business in the Province of Ontario.

6. Tender Award

Tender award will be made based upon the lowest compliant bidder for the base tender bid. Once the lowest compliant bidder has been identified, the Municipality reserves the right to include any or all of the provisional items at any time during the award or construction process.

Each participating Municipality will be responsible to ensure appropriate approvals are secured and will be responsible to issue a Purchase Order to the successful bidder(s) for the specific location. Invoices must be sent to the Municipality or Township identified as noted herein.

7. Other Public Agencies

Prior to submitting this Tender, it is of significant importance that all potential respondents be advised of the following:

It must be clearly understood that by submitting a Tender in accordance with this document, the respective respondent is agreeing that other interested public agencies may review their Tender document and further, if a successful respondent is selected by the Municipality and other public agencies deem it is in their best interest to join the Municipality contract under the same terms and conditions, then one or more parties may join the Municipality contract, if mutually agreed upon between the interested public agency and the successful bidder.

With the above agreement comes the realization that if other public agencies do join the Municipality contract on a consortium basis, then the total dollar volume resulting from any potential contract could prove to be significantly higher than suggested in this document and respondents are requested to consider this information while preparing their responses and bring to their Tender the best possible economic benefits and returns for the Municipality.

8. Inquiry

Proponents with questions related to the detailed specification or the nature of the work required may contact only, Victor Reid, Manager of Environmental Services, **in writing only**, by email to vreid@marmoraandlake.ca, or by fax 613-472-1023.

Questions related to the Tender process itself, should be emailed to Tonia Bennett, CAO, Municipality of Marmora and Lake, **in writing only**, by email to tbennett@marmoraandlake.ca, or by fax 613-472-5530.

Any questions, requests for information, or comments on this RFT should be addressed **not later than 4:00 p.m. on 16th day of May 2024** to allow staff time to respond or to prepare and distribute an addendum as necessary, and to allow time for Proponents to receive and process the new information.

Unless otherwise indicated, the RFT is available on the Municipal website at www.marmoraandlake.ca or from Tonia Bennett by contacting 613-472-2629 ext. 2221.

In accordance with of the Municipality's Procurement Policy By-law, Municipal Council members and employees, other than the employees who are the official contact persons identified in the RFT, are prohibited from discussing any aspect of a Tender process with a prospective Proponent from the time the RFT is issued until such time as an award report has been prepared and submitted to the appropriate approval authority.

Proponents are cautioned, therefore, to deal exclusively with the Municipal Contact persons referenced in this Section.

9. Amendments to "Standard Terms and Conditions"

Where Amendments to the Municipality's "Standard Terms and Conditions" are contained herein, it should be noted that these Amendments supersede any of the foregoing Terms and Conditions.

Part “B” Standard Terms and Conditions

1. Definitions

Bid	The document issued by the Municipality in response to which Quotations/Tenders/Proposals are invited for the performance of the work or supply of equipment.
Bidder	A person (s), firm(s) or corporation(s) who has submitted a bid.
Company	The person(s), firm(s) or corporation(s) to whom the Municipality has awarded the contract.
Contract	The purchase order authorizing the company to do the work, the Quotation/Tender/Proposal, the bonds or security (if any), the company's Quotation/Tender/Proposal, and change notices, appendices, and addenda (if any), Formal contract.
Municipality	The Municipality of Marmora and Lake, its successors and assigns.
Equipment	The materials, machinery, assemblies, instruments, devices or articles as the case may be, or components thereof, which are the subject of the contract.
Notice of Award	Notice provided to the successful bidder of contract award.
Subcontractor	A person(s), firm(s) or corporation(s) having a contract with the company for any part of the work.
Work	All materials, equipment fixtures, services, supplies, and acts required to be done, furnished and/or performed by the company.

Where any word appears in ordinary case, its regularly applied meaning in the English language is intended.

2. Acceptance of Terms

Each Proponent, by submitting a proposal, represents that the Proponent has read and completely understands, and accepts all terms and conditions to those contained in this RFT. Any proposal that has alternative terms and conditions to those contained herewith shall be considered a counter offer to the Municipality’s request and shall be rejected.

3. No Indemnities from the Municipality of Marmora and Lake

Notwithstanding anything else in the Contract, any express or implied reference to the Municipality providing indemnity or any other form of indebtedness or contingent liability that would directly or indirectly increase the indebtedness or contingent liabilities of the Municipality, whether at the time of execution of the contract or at any time during the Term, shall be void and of no legal effect.

4. Force Majeure

Neither Party shall be liable for damages caused by delay or failure to perform its obligations under the Contract where such delay or failure is caused by an event beyond its reasonable control if a reasonable business person applying due diligence in the same or similar circumstances under the same or similar obligations as those contained in the Contract would have put in place contingency plans to either materially mitigate or negate the effects of such event. Without limiting the generality of the foregoing, the parties agree that force majeure events shall include natural disasters and acts of war, insurrection and terrorism but shall not include shortages or delays relating to supplies or services. If a party seeks to excuse itself from its obligations under this Contract due to a force majeure event, that party shall immediately notify the other party of the delay or non-performance, the reason for such delay or non-performance and the anticipated period of delay for non-performance. If the anticipated or actual delay or non-performance exceeds fifteen (15) Business Days, the other party may immediately terminate the Contract by giving notice of termination and such termination shall be in addition to the other rights and remedies of the terminating party under the Contract, at law or in equity.

5. Conflict of Interest

The Supplier shall;

- a) Avoid any Conflict of Interest in the performance of its contractual obligations;
- b) Disclose to the Municipality without delay any actual or potential Conflict of Interest that arises during the performance of its contractual obligations; and
- c) Comply with any requirements prescribed by the Municipality to resolve any Conflict of Interest.

In addition to all other contractual rights or rights available at law or in equity, the Municipality may immediately terminate the Contract upon giving notice to the Supplier where;

- a) The Supplier fails to disclose an actual or potential Conflict of Interest;
- b) The Supplier fails to comply with any requirements prescribed by the Municipality to resolve a Conflict of Interest; or
- c) The Supplier's Conflict of Interest cannot be resolved. This paragraph shall survive any termination or expiry of the Contract.

6. Errors and Omissions

The Municipality will not be held liable for any errors or omissions in any part of the RFT. While the Municipality has used considerable effort to ensure an accurate representation in the RFT, the information contained in the RFT is supplied solely as a guideline for the Proponents. The information is not guaranteed or warranted to be accurate by the Municipality, nor is it necessarily comprehensive or exhaustive.

7. Bid Closing Time

Tender Bids are to be submitted to the Municipality of Marmora and Lake, Town Hall, 12 Bursthall Street, Marmora, Ontario, Attention: Tonia Bennett, CAO **before 16th day of May 2024 @ 11:00 a.m.**

The time registered on the Municipality of Marmora and Lake digital phone system will be considered the official time of day when determining exact time of submission.

Bids received after the Closing will not be accepted and will be returned to the Proponent unopened.

8. Document Fees

When a document fee is applicable, the Bidder must have previously purchased the respective document.

See Part “A” Information to Bidders, which forms part of this bid document.

9. Bid Requirements

Bidders are required to conform to the conditions listed below and those failing to do so may be subject to disqualification.

- a) Bids must be submitted on the bid form supplied by the Municipality. Bid submissions must not be restricted by a statement added to the bid form or by a covering letter, or by alterations to the bid form supplied unless otherwise provided in the bid document.
- b) Bid submissions shall consist of “Part “D” Bid Form” and all other sections and requirements as requested within the bid document. See “Part “D” Bid Form” for all requirements requested within the bid document.
- c) The Bid Form shall be signed in the space(s) provided by a duly authorized official of the entity bidding. If a joint Bid is submitted, it shall be signed on behalf of each of the Bidders and if the signing authority for both Bidders is vested in one individual, they shall sign separately on their behalf. Signatures on behalf of non-incorporated bodies or by individuals shall be witnessed. In the case of an incorporated Company, the corporate seal should be affixed to the Bid Form adjacent to the authorized signature.

- d) All Bids are to be submitted in English only.
- e) Bids must be legible, written in ink or typewritten. Erasures, over-writing or strikeouts must be initialed by the person signing on behalf of the Company.
- f) Adjustments by telephone, facsimile (Fax), e-mail or letter to a bid already submitted will not be considered. A bidder desiring to make adjustments to a bid must withdraw the bid and/or supersede it with a later bid submission prior to the specified bid closing time.
- g) Bids must be submitted in individually sealed envelopes and must clearly identify the name of the company, address of company, and Bid number on the outside of the envelope. Quotation/Tenders/Proposals received after closing time specified in the bid document will not be considered.

Faxed Bid Submissions are not acceptable

- h) Delivery of the Bid submission through a Courier Service shall be the responsibility of the Bidder and shall result in the submission being rejected where:
 - i. Bid submission is delivered to a location other than which is stated on the submission and fails to be delivered to the Municipality of Marmora and Lake's Office of the CAO prior to the closing date and time; and/or
 - ii. Bid submission which is enclosed in the Courier Envelope that does not state, "Bid Document Enclosed" and is not removed from the Courier's Envelope prior to the closing date and time; and/or
 - iii. Bid submission is delivered later than the closing date and time.
- i) Each item in the bid document shall be a reasonable price for such item. Bids that contain prices which appear to be unbalanced as to affect adversely the interest of the Municipality may be rejected. The Municipality will be the sole judge in this matter.

10. Bidder's Statement of Understanding

It is understood that the Bidder has carefully examined all of the bid documents and has carefully examined the Work to be performed under the Contract if awarded. The Bidder also understands and accepts the said bid documents, and for the prices set forth in the Bid, hereby offers to furnish all labour, machinery, tools, apparatus and other means of implementation, and materials to complete the terms and conditions and requirements in strict accordance with the bid documents.

None of the conditions contained in the Bidder's (seller's) standard or general (printed) conditions of sale shall be of any effect unless explicitly agreed to by the Municipality as set forth or specifically referred to therein.

The Bidder declares that their submission is not made in connection with any other bidder submitting an offer for the same commodity or commodities, and is in all respects fair and without collusion and fraud.

The contract shall be governed and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

11. Clarification of Bid Documents

It may be necessary for a variety of reasons to issue addenda that may include, but not be limited to:

- a. Correction to, or clarification of, the RFT;
- b. Extension of the closing date;
- c. Retraction or cancellation of the RFT.

Potential Proponents must provide the Municipality with company information, including street address, fax number and email address, to be advised of addenda when issued or further information. Information should be provided to the Municipal Contact persons referenced in Section 4.0

All addenda issued to potential Proponents who have provided contact information will include a covering letter asking the recipient to confirm receipt of the most recent addendum and any previous addenda.

Addenda will be faxed, emailed or mailed to the latest address as provided by the Proponent. It is the Proponent’s responsibility to notify the appropriate Department Head and issuer of the RFT of any change to their fax number, email or mailing address.

Although the Municipality will make every reasonable effort to ensure a Proponent receives all addenda issued, it is the Proponent’s ultimate responsibility to ensure all addenda have been received and are reflected in their Tender.

12. Bid Deposit Requirements

Bidders may be required to submit a bid deposit with each bid, which must be in the same envelope as the bid.

See Part “A” Information to Bidders, which form part of this bid document.

13. Performance Surety Requirements

Performance surety binding the Company faithfully to fulfill the obligations of their bid as accepted, may be required by the Municipality within ten (10) working days from the date of request.

See Part “A” Information to Bidders, which form part of this bid document.

14. Insurance Claims Policy (CORP-09) When Claims Involve Contracted Companies

The Municipality frequently enters into contracts with independent companies (contractors) who perform work on the Municipality's behalf. The Municipality's agreements with the contractors contain a strict requirement that they respond directly to claims for any damage or injury to members of the public that they may be held responsible for.

Upon receipt of information that a contractor had control over the accident location at the time of loss, the claim will be forwarded to the contractor for response. The contractor shall acknowledge receipt of the claim and identify a contact person who will be responsible for investigating the claim.

The contractor shall conduct an investigation and make a decision regarding the claim. If the contractor determines that they were responsible for the loss, they will resolve the claim with the claimant directly.

If the contractor determines their work met reasonable and appropriate construction standards, they may deny the claim. In this case, their communication to the claimant will provide the results of their investigation and clearly explain their decision. Should the claimant disagree with the contractor's decision and still wish to pursue the claim, they have the option of pursuing the contractor by proceeding with legal action.

15. Insurance and Workplace Safety Insurance Board

The successful bidder shall deliver a certified copy of the Firm's Public Liability and Property Damage Insurance, and where applicable the bidder shall carry standard automobile and non-owned automobile liability insurance Policy for the works, within ten (10) working days of receiving the Acceptance Notice. Coverage shall be at least \$5,000,000.00 in General Commercial Liability naming the Municipality and participating Municipalities/ Townships as an additional insured under the policy. Additional coverage may be required.

See Part "A" Information to Bidders, which form part of this bid document for additional requirements.

The successful bidder will be required to submit proof of Workplace Safety Insurance Board Coverage, within ten (10) working days of receiving the Acceptance Notice and shall provide additional certificates as often as is deemed necessary by the Municipality during the term of the contract to ensure continued good standing with the Workplace Safety & Insurance Board.

Failure to provide such proof shall result in cancellation of the Contract.

16. Proof of Ability

The Bidder may be required to show, in terms of experience and facilities, evidence of its ability, as well as that of any proposed subcontractor, to perform the work by the specified delivery date.

17. Document and Site Review

Bidders may be required to attend a mandatory document and site visit with the Owner.

See Part “A” Information to Bidders, which form part of this bid document.

The Submission of a Bid shall indicate that the bidder agrees and warrants that he has examined the site and all conditions relevant thereto, and all the separate documents, drawings, specifications and addenda and that the bid submitted covers the cost of all the items required in the contract. No claims for extras will be entertained on account of conditions, which could be observed on the site at the time bids were submitted.

See Part “C” Specifications, which form part of this bid document.

18. Mandatory Requirement

Proposals must meet all mandatory requirements as contained herein.

Proposals that do not meet the mandatory requirements will not be considered for further evaluation. Statements that include the words “shall”, “must”, or “will” are considered to be mandatory.

Statements that include the words “should” or “may”, while not mandatory, are considered highly desirable by the Municipality. Failure to comply with requirements that are highly desirable may reflect negatively on the proponent’s ability to 36.

19. Pricing Requirement

Prices shall be in Canadian Funds, quoted separately for each item stipulated F.O.B. the point specified therein.

All prices bid shall include applicable taxes, customs duty, excise tax, freight, insurance and all other charges of every kind attributable to the work. Harmonized Sales Tax shall be shown as extra, unless otherwise specified. If the Bidder intends to manufacture or fabricate any part of the work outside of Canada, it shall arrange its shipping procedures so that its agent or representative in Canada is the Importer of record for customs purposes.

Except as may be provided in Part “C” Specifications, in the Quotation/Tender/Proposal document, the prices bid shall not be subject to adjustment for any cost of the work to the Company.

In the event of any discrepancy between the unit price and the extension, the unit price shall govern.

20. Terms of Payment

Unless progress payments or any alternate payment terms are specified in the contract, the contract price may be invoiced after delivery and shall be payable 30 days from receipt of invoice. The effect of any alternative payment terms, stated clearly in the bid submission will be considered in the evaluation of bids.

The Municipality shall have the right to withhold from any sum otherwise payable to the Company such amount as may be sufficient to remedy any defect or deficiency in the work, pending correction of the same.

21. Terms of Payment – For Construction Projects

Payment for materials supplied and work completed shall be on a monthly basis at the rate of 90%, providing for a 10% holdback in accordance with the Construction Lien Act, 2019, or its latest edition.

After performance acceptance of the work, and in accordance with the Construction Lien Act, 2019, or its latest edition, the holdback will be paid (after the hold back period and in the absence of no claims), to the Company upon receipt of a Statutory Declaration that all accounts and labour have been paid in full, receipt of a Workplace Safety & Insurance Certificate of Clearance and receipt of all "As Built" drawings and maintenance manuals, where applicable. Upon inspection and correction of any deficiencies at the end of the maintenance period, to the satisfaction of the Manager or designate the Performance Sureties will be returned to the Company.

All payments will be made within twenty eight (28) days from receipt of an approved invoice. All invoices must be approved by the Manager or designate.

22. Delivery

Time shall be material and of the essence of the contract.

All bids shall be F.O.B. Destination, Marmora, Ontario unless otherwise noted in the bid document. The Company shall be responsible for arranging its work so that completion shall be as specified in the contract.

23. Patents and Copyrights

The Company shall at its expense, defend all claims, actions or proceedings against the Municipality based on any allegations that the work or any part of the work constitutes an infringement of any patent, copyright or other proprietary right and shall pay to the Municipality all costs, damages, charges and expenses, including its legal fees.

The Company shall pay all royalties and patent license fees required for the work.

If the work or any part thereof is in any action or proceeding held to constitute an infringement, the Company shall forthwith either secure for the Municipality the right to continue using the work, or shall at the Company's expense, replace the infringing items with non-infringing work or modify them so that the work no longer infringes.

24. Assignment

The Company shall not assign the contract or any portion thereof without the prior written consent of the Municipality.

25. Occupational Health and Safety Act

The successful bidder, for purposes of the Ontario Occupational Health and Safety Act, shall be designated as the Constructor for this project and shall assume all of the responsibilities of the Constructor as set out in that Act and its regulations. The foregoing shall apply notwithstanding that the successful bidder has been referred to as the 'Company' in this and any other related document.

The Company acknowledges that they have read and understood the Occupational Health and Safety Act together with the Municipality's Health and Safety Policies and Procedures.

The Company covenants and agrees to observe strictly and faithfully the provisions of the said Occupational Health and Safety Act and all regulations and rules promulgated there under together with the Municipality's Health and Safety Policies and Procedures.

The Company agrees to indemnify and save the Municipality harmless for damages or fines arising from any breach or breaches of the said Occupational Health and Safety Act and/or the Municipality's Health and Safety Policies and Procedures.

The Company agrees to assume full responsibility for the enforcement of the said Occupational Health and Safety Act and the Municipality's Health and Safety Policies and Procedures and to ensure compliance therewith.

The Company further acknowledges and agrees that any breach or breaches of the Occupational Health and Safety Act and/or the Municipality's Health and Safety Policies and Procedures whether by the Company or any of its sub-contractors may result in the Company and/or sub-contractor being removed from the site and in the immediate termination of this contract herein and the forfeiture of all sums owing to the Company by the Municipality.

The Company shall allow access to the work site on demand to representatives of the Municipality to inspect work sites to ensure compliance with the Contract and the Municipality's Policies and Procedures.

The Company agrees that any damages or fines that may be assessed against the Municipality by reason of a breach or breaches of the Occupational Health and Safety Act by the Company or any of its sub-contractors will entitle the Municipality to set-off the damages so assessed against any monies that the Municipality may from time to time owe the Company under this contract or under any other contract whatsoever.

Where any portion of the work or services in this Contract is contracted to a sub-contractor, the Company agrees that the provisions of this section will apply to the sub-contractor and the Company will enforce said provisions.

The Company shall provide a list of all controlled hazardous materials or products containing hazardous materials, all physical agents or devices or equipment producing or omitting physical agents and any substance, compound, product or physical agent that is deemed to be or contains a designated

substance in accordance with the Workplace Hazardous Materials Information System (WHMIS) as defined under the Ontario Occupational Health & Safety Act and shall provide appropriate Material Health & Safety Data sheets for these substances used for the performance of the required work, all prior to the performance of said work.

Where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the Company shall ensure that the requirements of the Ontario Occupational Health & Safety Act and associated regulations are complied with.

The Municipality reserves the right to cancel any contract for non-compliance with the terms set out herein, health and safety regulations, the Environmental Protection Act, associated regulations and other applicable legislation.

26. Laws, Regulations, Permits, Fees and Licences

The Company shall comply with relevant federal, provincial and municipal statutes, regulations and by-laws pertaining to the work and its performance. The Company shall be responsible for ensuring compliance by its suppliers and subcontractors.

The contract shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

The Company shall pay for all permits, licenses and fees, and give all notices and comply with all by-laws and regulations of the Municipality and any other governing body.

The Respondent agrees that in the event the Municipality is required to pay damages for any matter relating to or arising from a material breach of this RFT, whether based upon an action or claim in contract, warranty, equity, negligence, intended conduct or otherwise, including any action or claim arising from the acts or omissions, neglect or otherwise of the Municipality, the aggregate amount of damages recoverable against the Municipality shall be no greater than the proposal preparation costs that the Respondent seeking damages from the Municipality can demonstrate it incurred.

27. Substitutes and Alternates

Unless qualified by the provision "No Substitute", the use of the name of a manufacturer, brand, make or catalogue designation in specifying an item does not restrict bidders to that manufacturer, brand, make or catalogue designation identification. This is used simply to indicate the character, quality and/or performance of the goods and/or services desired, but the goods and/or services on which bids are submitted must be of such character, quality and/or performance that it will serve the purpose for which it is to be used as well as that specified. In submitting a bid on goods and/or services other than as specified, the bidder must furnish complete data and identification with respect to the alternate goods and/or services they proposes to furnish.

Consideration will be given to bids submitted on alternate goods and/or services to the extent that such action is deemed to serve the best interests of the Municipality. If the bidder does not indicate that the goods and/or services they proposes to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact goods and/or services as described in the bid document.

28. Quotation/Tender/Proposal Procedures

Quotation/Tender/Proposal will be called, received, evaluated, accepted and processed in accordance with the Municipality's Procurement Policies.

29. Contract Award

The Municipality reserves the right to award by item, or part thereof, groups of items, or parts thereof, or all items of the bid, and to award contracts to one or more bidders submitting identical Bids as to price; to accept or reject any Bids in whole or in part; to waive irregularities and omissions. The Municipality also reserves the right to enter into negotiations with the lowest compliant bidder if the price bid is over the budgeted amount of the project. Should the Municipality be unable to reach an agreement with the lowest compliant bidder, the Municipality reserves the right to enter into negotiations with the next lowest compliant bidder, or to cancel the call. If in so doing, the best interests of the Municipality will be served. No liability shall accrue to the Municipality for its decision in this regard.

The lowest or any bid may not necessarily be accepted as the Municipality of Marmora and Lake reserves the right to reject any or all bids. Bids shall be irrevocable for 90 days after the official closing time and the Municipality may at any time within that period without notice, accept a Bid whether any other Bid has been previously accepted or not.

Proponents are solely responsible for their own expenses in preparing a response to this RFT. If the Municipality elects to reject any or all proposals, the Municipality will not be liable to any Proponent for any claims, whether for costs or damages incurred by the Proponent in preparing the proposal, loss of anticipated profit, or any other matter.

Award of this contract is subject to appropriate funding acceptable to the Municipality.

The Notice of Award to the successful bidder shall constitute notice of acceptance of contract. This acceptance shall be conditional on the bidder providing all documentation, security and certifications as required by the Bid Document within ten (10) working days of the date that the notice of award is placed in the mail or delivered to the bidder. The bidder to whom the contract is awarded will be issued a purchase order, or a blanket purchase order may be required to execute a contract in triplicate within ten (10) working days from the date of notice of award by the Municipality.

Notwithstanding and without restricting the generality of the statements above, the Municipality of Marmora and Lake shall not be required to award or accept a

tender, and may choose to either cancel the call for tenders or recall the tenders at a later date:

- a) When only one Bid has been received as the result of a tender call;
- b) Where the lowest responsive and responsible bidder exceeds the available project budget for the supplies or services;
- c) When all Bids received fail to comply with the specifications of the tenders terms and conditions;
- d) When a change in the scope of work or specifications is required

30. Contract Cancellation

The Municipality shall have the right, which may be exercised from time to time to cancel any uncompleted or unperformed portion of the work or part thereof. In the event of such cancellation, the Municipality and the Company shall negotiate a settlement.

- a) If the Company; commits any act of bankruptcy; or if a receiver is appointed on account of its insolvency or in respect of any of its property; or if the Company makes a general assignment for the benefit of its creditors; then, in any such case, the Municipality may, without notice; terminate the contract.
- b) If the Company; fails to comply with any request, instruction or order of the Municipality; or fails to pay its accounts; or fails to comply with or persistently disregard statutes, regulations, by-laws or directives of relevant authorities relating to the work; or fails to prosecute the work with the skill and diligence; or assigns or sublets the contract or any portion thereof without the Municipality's written consent; or refuses to correct defective work; or is otherwise in default in carrying out its part of any of the terms, conditions and obligations of the contract, then, in any such case, the Municipality may, upon expiration of ten (10) days from the date of written notice to the Company, terminate the contract.
- c) Any termination of the contract by the Municipality, as aforesaid, shall be without prejudice to any other rights or remedies the Municipality may have.
- d) If the Municipality terminates the contract, it is entitled to:
 - i. Take possession of all of the work in progress and finish the work by whatever means the v may deem appropriate under the circumstances;
 - ii. Withhold any further payments to the Company until its liability to the Municipality is ascertained;
 - iii. Recover from the Company loss, damage and expense incurred by the Municipality by reason of the Company's default (which may be deducted from any monies due or becoming due to the Company, any balance to be paid by the Company to the Municipality).

The Municipality shall not be liable to the Company for loss of anticipated profit on the cancelled portion or portions of the work.

31. Availability of Labour and Escalation

The bidder shall fully inform themselves regarding availability of labour in the area relative to the requirements of the schedule. The bidder shall make their own assessment of escalation in costs and increased labour costs and include all of these costs in their bid.

32. Correction of Defects

If at any time prior to one year (or specified warranty/guarantee period if longer than one year) after the actual delivery date of the equipment any part of the equipment becomes defective or is deficient or fails due to defect in design, material or workmanship, or otherwise fails to meet the requirements of the contract, then the Company, upon request, shall make good every such defect, deficiency or failure without cost to the Municipality. The Company shall pay all transportation costs for parts and/or equipment both ways between the Company's factory or repair depot and the point of use.

33. Disclosure

The names of bidders and total bid prices will be made available at the public Quotation/Tender opening. After the Quotation/Tender opening, requests may be submitted to the Municipality for the results, and only the names of bidders and total bid prices as read out at the Quotation/Tender opening will be given in the reply.

Request for Proposals are formally opened in public and only the name of the bidders submitting responses to the Request for Proposal will be read. Details of the proposals or any financial information will not be publicly disclosed at the opening.

34. Debriefing

For RFT(s) where contract is in excess of \$100,000, Proponents are entitled to a debriefing meeting with the Municipality after award notification has been made. A request for a debriefing meeting must be received by the RFT contact within sixty (60) calendar days of award notification.

Debriefing meetings will be held in person at the Municipality of Marmora and Lake's office.

The Municipality will address a Proponent's specific questions in relation to their submission. Questions unrelated to the RFT will not be responded to during the debriefing and will be noted as out of scope.

35. Bid Protest Procedures

Subsequent to a debriefing meeting where a Proponent believes that the competitive process has not been conducted in accordance with the process requirements contained herein, the Proponent may file a bid protest. The Proponent shall prepare in writing and submit the challenge within ten (10) days of the dispute to the RFT contact citing the clause in the RFT that the Proponent is in dispute. The RFT contact shall have five (5) days to investigate and respond to the protest. If the Bid protest is not resolved by the RFT contact, it will be forwarded on to the Treasurer of the Municipality by the RFT contact, allowing the Treasurer of the Municipality of Marmora and Lake ten (10) days to investigate and respond to the Bid protest. Where the Treasurer of the Municipality is unable to resolve the protest, the Treasurer will forward the protest to the Director of Finance/Treasurer. The Treasurer of the Municipality of Marmora and Lake, at the Director of Finance/Treasurer’s discretion will conduct an investigation of the competitive process. The Director of Finance/Treasurer’s findings and any resolution shall be final and will be communicated to the Proponent and kept on file.

Any decided remedy in regards to Bid dispute award of costs will be limited to the amounts to prepare the tender and any mandatory site meeting expenses with the corresponding documentation or receipts.

36. Conflict of interest and Prohibited Conduct

a) Conflict of interest

The Municipality may disqualify a proponent for any conduct, situation or circumstances, determined by the Municipality, in its sole and absolute discretion, to constitute a Conflict of Interest, as defined above (Part B, section 5).

b) Disqualification for Prohibited Conduct

The Municipality may disqualify a proponent, rescind an invitation to negotiate or terminate a contract subsequently entered into if the Municipality determines that the proponent has engaged in any conduct prohibited by this RFT.

c) Respondent Not to Communicate with Media

Respondents must not at any time directly or indirectly communicate with the media in relation to this RFT or any agreement entered into pursuant to this RFT without first obtaining the written permission of the RFT Contact.

d) No Lobbying

Respondents must not, in relation to this RFT or the evaluation and selection process, engage directly or indirectly in any form of political or other lobbying whatsoever to influence the selection of the successful respondent (s).

e) Illegal or Unethical Conduct

Respondents must not engage in any illegal business practices, including activities such as bid –rigging, price-fixing, bribery, fraud, coercion or collusion.

Respondents must not engage in any unethical conduct, including lobbying or other inappropriate communications; offering gifts to any employees, officers, agents, elected or appointed officials or other representatives of the Municipality; deceitfulness; submitting quotations containing misrepresentations or other misleading or inaccurate information; or any other conduct that compromises or may be seen to compromise the competitive process provided for in this RFT.

f) Past Performance or Past Conduct

The Municipality may prohibit a supplier from participating in a procurement process based on past performance or based in inappropriate conduct in a prior procurement process, including but not limited to the following;

- i. Illegal or unethical conduct as described above
- ii. The refusal of the supplier to honour its submitted pricing or other commitments; or
- iii. Any conduct situation or circumstance determined by the Municipality, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

37. Freedom of Information

All information obtained by the Company in connection with this bid is the property of the Municipality of Marmora and Lake and must be treated as confidential. It may not be used for any purpose other than for replying to this bid, and for fulfillment of any subsequent contract. Any Company who requires that the information in its bid be kept confidential must explicitly advise the Municipality of that fact.

The Company may declare confidentiality of their bid; however, the Municipality is required by law to adhere to the requirements of the Municipal Freedom of Information and Protection of Privacy Act, as amended.

Personal information contained on this bid form is collected under the authority of Section 29(2) of the Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990, c.M.56 as amended and will be used to purchase goods and/or services and for the execution of contractual documents. If you have any questions about the collection, use or disclosure of this information by the Municipality of Marmora and Lake, please contact the CAO, Municipality of Marmora and Lake, 12 Bursthall Street, Marmora, Ontario K0K 2M0 (613-472-2629).

38. Complaints

Any complaint on the process and procedures as outlined in the Municipality's Procurement Bylaw (as amended) to define the procedures with respect to the procurement of goods and services by of the Municipality of Marmora and Lake shall be in writing and shall be submitted to the Treasurer for review and response.

A complaint on the process and procedures related to the award of a tender, proposal or quotation must be submitted within seven (7) working days of the date of the award.

39. Accessibility

The Municipality of Marmora and Lake is committed to the accessibility principles of preventing and removing barriers in accessing goods and services for people with disabilities and is bound by the Standards under the Accessibility for Ontarians with Disabilities Act, 2005 as may be amended from time to time.

Regulations enacted under the Act apply to every designated public sector organization and other third parties that provide goods and services to the members of the public.

The Supplier covenants and agrees to ensure that the Deliverables provided hereunder are consistent with the Ontario Human Rights Code (“OHRC”), the Ontarians Disabilities Act, 2001 (“ODA”) and the Accessibility for Ontarians with Disabilities Act, 2005 (“AODA”) and their respective regulations in order to achieve accessibility for Ontarians with disabilities. Without limiting the generality of the foregoing, the Supplier covenants and agrees to comply with the Municipality’s accessibility standards, policies, practices and procedures, as same may be in effect during the term of the Agreement and apply to the Deliverables to be provided hereunder by the Supplier.

40. Human Rights

The Municipality is committed to hosting a work environment in which everyone is treated with respect, and no one is subject to discrimination. This commitment stems from the Municipality’s own philosophy and the Municipality’s obligations under the Ontario Human Rights Code. During the term of the Contract, the Supplier shall ensure that its employees and subcontractors behave in a manner that is appropriate, respectful and consistent with the provisions of the Ontario Human Rights Code.

Any breach of the Ontario Human Rights Code by the Supplier, its employees or subcontractor will result in the removal of that person from the Municipality’s premises. In addition, the breach of these conditions by the Supplier, its employees and subcontractors could result in the termination of the Contract and/or the barring of the Supplier and its subcontractors from entering into subsequent contracts with the Municipality.

Part “C” Specifications

Special Provisions General

1. Scope of work

Booster Park Hydro Upgrades

The scope of work for each road within the Municipality of Marmora and Lake is outlined below.

The electrical system upgrade at Booster Park, to bring the electrical system for the 16 Transient camp sites up to current electrical code and provide one 120V 30-AMP receptacle for each site. This requires new 200-Amp services, electrical panels, hydro poles, overhead cable, trenching, underground cable, posts and receptacles.

Note - This upgrade requires approval from Hydro One.

The Municipality of Marmora and Lake reserves the right to call for partial supply of any of the works listed above subject to Municipality of Marmora and Lake Council 2023 budget approval.

2. Specifications

Comply with Ontario Electrical Safety Codes (OESC)

3. Site Preparation

It shall be the Contractor’s responsibility to conduct site preparation under any item of this contract through the construction zones and on all Municipality Roads. There will be no additional payment for site preparation as required and may include but is not necessarily limited to:

- Bonds, administration and supervisory costs
- Mobilization and demobilization of equipment, material and Contractor’s forces
- Maintaining and updating project schedule
- Site preparation for work
- Costs of all necessary approvals and permits as applicable
- Cost of constructing laydown area in location acceptable to Owner
- All costs associated with utility locates protection or temporary relocation and reinstallation of utilities, as applicable and not specified in other areas of the contract
- Installation and removal of temporary barricades, hoarding, snow fencing and other protection required
- Protection of trees not designated for removals
- Layout of work
- Cost of supplying and maintenance of adequate sanitary facilities

- Costs associated with submission of shop drawings, product submissions and all other submissions
- Costs associated with access to private properties as required and obtaining written release from the affected property Owners; copy to be submitted to Contract Administrator
- Maintaining and reinstatement of existing road signs, mailboxes, etc.
- Maintaining the site in a clean and orderly manner.
- Cost of advertising of Substantial Completion in the Daily Commercial News.
- Cost of reinstating to their original conditions the Contractor’s lay down area.
- All costs of any incidental work not specifically mentioned in the Contract Documents but required by virtue of the work.
- All costs associated with environmental protection measures except as specifically mentioned for other Items of work.
- Protection of private properties

4. General Conditions

Wherever in this Contract reference is made to the General Conditions it shall be interpreted as meaning the Ontario Electrical Safety Codes (OESC)

5. Definitions

Wherever the word “Corporation”, “Owner”, “Authority”, “Inspector” or “Contract Administrator” appears in this Contract, it shall be interpreted as meaning the Municipality of Marmora and Lake.

Wherever the word OESC appears, it shall be deemed to mean the Ontario Electrical Safety Codes

Wherever the word “Manager” appears in the Contract, it shall be deemed to mean the Manager of Environmental Services, Municipality of Marmora and Lake or his designate.

6. Schedule

The work is to commence on **Monday June 3rd, 2024**, with no site activity to occur prior to this date and must be completed by **Friday 20th, 2024**. The Contractor shall provide a Work Schedule at the Pre-construction meeting.

7. Protection of Public and Traffic Control

All traffic control procedures and devices shall conform to the requirements of the following references:

The Contractor will be responsible for maintaining vehicular traffic. The Contractor shall avoid the blocking of vehicular or pedestrian traffic for a longer period than is necessary for proper construction of the work.

Barricades, warning signs, lanterns, lights, and all necessary detour signs within the limits of the Contract, shall be maintained throughout the course of the work, all at the expense of the Contractor and to the satisfaction of the Manager of Environmental Services. Detour signing, in the event detours are required and/or permitted, outside of the Contract Limits shall also be carried out by, and at the expense of, the Contractor.

8. Spills Reporting

Spills or discharges of pollutants or contaminants under the control of the Contractor, and spills or discharges of pollutants or contaminants that are a result of the Contractor's operations that cause or are like to cause adverse effects shall forthwith be reported to the Spills Action Centre at 1-800-268-6060 and to the Manager of Environmental Services. Such spills or discharges and their adverse effects shall be as defined in the Environmental Protection Act R.S.O. 1990.

All spills or discharges or liquid, other than accumulated rain water, from luminaries, internally illuminated signs, lamps and liquid type transformers under the control of the Contractor, and all spills or discharges for this equipment that are a result of the Contractor's operations shall, unless otherwise indicated in the Contract, be assumed to contain PCB's and shall forthwith be reported to the Manager of Environmental Services.

This reporting will not relieve the Contractor of his legislated responsibilities regarding such spills or discharges.

In the case of a spill, the Contractor shall use every effort required to contain the spill as may be required to mitigate adverse effects on the environment. Upon satisfactory containment of the spill and upon direction from the Spills Action Centre and the Manager of Environmental Services, the Contractor shall complete any clean-up of the spill as may be directed.

There will be no additional claim for payment for costs associated with spill containment and clean-up, as may be required.

9. Layout

It shall be the Contractor's responsibility to obtain approval from Hydro One.

10. Supply of Materials

All materials necessary for the proper completion of the work shall be supplied by the Contractor, except as specifically noted. The payment provided in the

contract shall be deemed to include full compensation for the supply of all such materials.

11. Liquidated Damages

Time shall be the essence of this Contract.

Work on this Contract may commence within ten (10) calendar days after the official commencement date. The Contractor shall diligently complete their work on this Contract to completion on or before **the date identified in Part C, Section 7 - Schedule.**

If the time above specified is not sufficient to permit completion of the work by the Contractor working a normal number of hours each day or week on a single daylight shift basis, it is expected that, subject to local By-laws affecting hours of work, additional and/or augmented daylight shifts will be required throughout the life of the Contract to the extent deemed necessary by the Contractor to insure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these Provisions will be considered to be included in the prices bid for the various items of work and no additional claim for compensation will be allowed therefore.

It is agreed by the parties to the Contract that in case all the work called for under the Contract is not finished or completed within the dates included; a loss or damage will be sustained by the Owner. Since it is and will be impracticable and extremely difficult to ascertain and determine the actual loss or damage which the Owner will suffer in the event of and by reason of such delay, the parties hereto agree that the Contractor will pay to the Owner the sum of **\$500.00 (Five Hundred Dollars)** as liquidated damages for each and every calendar days' delay in finishing the work in excess of the required completion date prescribed. It is agreed that this amount is an estimate of the actual loss or damage to the Owner, which will accrue during the period in excess of the prescribed completion date.

The Owner may deduct any amount under this paragraph from any monies that may be due or payable to the Contractor on any account whatsoever. The liquidated damages payable under this paragraph are in addition to and without prejudice to any other remedy, action or other alternative that may be available to the Owner.

An application by the Contractor for extension of time shall be made to the Manager of Environmental Services in writing **at least fifteen days prior to the date of completion** fixed by the contract.

All bonds or other surety furnished to the Owner by the Contractor shall be amended where necessary at the expense of the Contractor to provide coverage beyond the date of any time granted, and the Contractor shall furnish the Owner with evidence of such amendment of the bonds or other surety.

Any extension of time that may be granted, in writing, to the Contractor shall be so granted and accepted without prejudice to any rights of the Owner whatsoever under this contract, and all such rights shall continue in full force and effect after the time limited in this contract for the completion of the work and whenever in this contract power and authority is given to the Owner or the Manager or any person to take any action consequent upon the act, default, neglect, delay, non-observance or non-performance by the Contractor in respect of the work or contract, or any portion thereof such powers or authorities may be exercised from time to time and not only in the event of the happening of such contingencies before the time limited in this contract for the completion of the work but also in the event of the same happening after the time so limited in the cause of the Contractor being permitted to proceed with the execution of other work under an extension of time granted by the Municipality.

12. Contractor's Responsibility

The Contractor shall notify the Manager in writing of the names and positions of the person or persons representing the contractor.

13. Co-Ordination Meetings

The Contractor shall attend such meetings as may be required by the Manager to co-ordinate services affected by the Contract.

14. Measure of Payment

For purposes of this Contract, items shall be paid upon completion of the project.

15. Discrepancies and Conflicts

Discrepancies and conflicts shall be brought to the attention of the Manager prior to commencement of work on that portion of work. No additional payment will be made for correction of errors made in this regard.

16. Utilities

The Contractor shall be responsible for the protection of all utilities at the job site during the time of construction.

It is, the Contractor's responsibility to contact the appropriate agencies for further information in regard to the exact location of all utilities, to exercise the necessary care in construction operations and to take such other precautions as are necessary to safeguard the utilities from damage.

The Contractor is responsible for verification of the location and type of other utilities within the contract limits and which may be encountered during construction.

17. Submitting Payment Certificates

Payment certificates submitted by the Contractor shall show the holdback, taxes and totals for the work completed.

18. Warranty

The Contractor shall guarantee and maintain the entire work called for under this Contract for a period of twenty-four (24) months.

The Contractor shall make good in a permanent manner, satisfactory to the Authority, any and all defects or deficiencies in the work, both during the construction and during the period of maintenance as aforesaid. The Contractor shall commence repairs on any work identified as defective under this clause within 48 hours of receipt of notice from the Authority or the Contract Administrator.

The decision of the Authority and the Contract Administrator shall be final as to the necessity for repairs or for any work to be done under this Section.
